Dear Live Your Dream Candidate

Re: Live Your Dream education and training awards for women

The Soroptimist Live Your Dream awards is the signature project of the Soroptimist International of the Americas. Soroptimist International of La Jolla is one of nearly 1,300 clubs that seeks women recipients to receive cash awards in order to improve their lives by gaining additional skills, training, or education. Recipients of the awards are motivated women who are the primary financial supporters of their families. These cash awards are meant to offset any costs associated with the recipient's efforts to attain higher education, including tuition, books, supplies, child care or transportation.

The most challenging aspect of this program is getting applications into the hands of eligible women. Please find attached a Soroptimist Live Your Dream Award application and reference forms. Both can be emailed and forwarded to any women you know who strive to attain higher education in the hopes of better supporting themselves and their families. The deadline for these applications is November 15, 2017.

We have included our club's contact information in the materials so that applicants may submit the applications directly to us. It is our hope that you will know deserving applicants in your organization or community, and that you will forward this information to eligible women.

Members of Soroptimist International of La Jolla will call you very soon to discuss this awards program and how we can work together to seek applicants and support them in completing necessary forms in order to compete for these cash awards. If you have any questions, please contact me by email or phone.

Sincerely yours,

Gaylyn N. Boone
